Warrant for Annual Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milford in the
County of Hillsborough in said State, qualified to
vote in Town Affairs:

You are hereby notified to meet at Town Hall in
said Town on Tuesday, the 9th day of March next, at
nine of the clock in the forenoon, to act upon the fol-
lowing subjects:

1. To choose all necessary Town Officers for the
year ensuing.

2. To raise such sums of money as may be neces-
sary to defray town charges for the ensuing year, and
make appropriation of the same.

3. To act upon the reports of all town officers,
agents, and committees, and raise and appropriate any
money relative thereto.

4. To see if the town will vote to raise and ap-
propriate the amount of money necessary to secure
State aid for permanent improvement of highways un-
der law passed at January session, 1905.

5. To see what sum of money the town will vote to
raise and appropriate for town officers' salaries, town
officers' expenses, election and registration expenses,
municipal court expenses, repairs and supplies for town
house, police protection, fire protection, moth extermin-
ation, collection of garbage, health department, vital
statistics, state aid maintenance of highways, general
expense of highway department, street lighting, Milford

Free Library, town poor, Memorial Day, parks and playgrounds, cemeteries, interest on temporary loans, interest on bonded debt, interest on serial notes, interest on trust funds, town construction of highways, state aid construction of highways, sidewalk construction, sewer construction, payments on principal of debts, state taxes and county taxes.

6. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, if necessary, as provided by law of 1907.

7. To see what sum of money the town will raise and appropriate toward maintaining a series of band concerts the coming year.

8. To see if the town will vote to purchase a road roller and raise and appropriate money for the same.

9. To see what action the town will take in regard to removing the snow from the roads, and raise and appropriate the money for the same.

10. To see if the town will vote to instruct the Selectmen to purchase the land necessary for the construction of a street connecting the easterly end of Knight Street with the westerly end of Cherry Street and raise and appropriate money for the same. The land to be used as a public dump until in the opinion of the Selectmen it is ready for the construction of the street.

11. To see if the town will instruct the selectmen to construct a stone surface on the highway known as the Mason Road from the intersection of said Mason Road and Union Street to the improved portion of said Mason Road, and raise and appropriate money for the same.

12. To see if the town will appoint an inspector of buildings for the town and that such an inspector be

appointed by the selectmen, and raise and appropriate compensation for said inspector.

13. To see if building ordinances as drafted by a committee authorized at town meeting of 1925 be adopted.

14. To transact any other business that may legally come before said meeting.

• Given under our hands and seal, this twentieth day of February, in the year of our Lord nineteen hundred and twenty-six.

JOHN J. MONTEITH,
IRVING T. WEBB,
CHARLES A. HAYWARD,
Selectmen of Milford.

Warrant for School Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Milford qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 9th day of March, 1926, at 3 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year, July 1, 1926 to June 30, 1927.
5. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.
6. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
7. To see how much money the District will raise and appropriate for the support of schools and for the payment of other obligations of the District.
8. To see how much money the District will raise and appropriate for special repairs and alterations of school buildings and grounds; for new equipment, furnishings and replacements; and for insurance on school property.
9. To determine and appoint the salaries of the School Board and Truant Officer and fix the compensation of any other officers or agents of the District.

10. To see what action the District will take relative to the unexpended balances from the sale of real and personal property.

11. To see if the District will transfer the control—including funds—of Endicott Park from the School Board to the Park Commission.

12. To see what action the District will take relative to the Old Brick school property, so-called.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said Milford this 22nd day of February 1926.

JAMES T. YOUNG,
BLANCHE A. BRUCE,
HARRY N. THOMAS,
School Board.

Report of Selectmen

FOR YEAR ENDING JANUARY 31, 1926.

At the last town meeting, it was voted to instruct the Selectmen to investigate the equipment used on the highways, and acting in conjunction with the Highway Surveyor, we found that the road scraper is completely worn out and a new one should be purchased to replace it. The small tools, snow plows and carts, have been painted this summer and are in good condition. The horses, we find, are in good condition and are fit to do the work, as far as we can see. The road roller is in poor shape. The wheels are broken and completely worn out and it would cost in the vicinity of a thousand dollars to put it in shape so that it can be used to any advantage, and we are going to ask the citizens, at this town meeting, to take into consideration the advisability of purchasing a new roller at a cost of about \$5000, or spending about \$1000 to repair the old one. The stone crusher has been repaired and is in first-class working order.

On the Brookline Road construction, we deemed it advisable to build a gravel road from the end of the Milford improved road to the Brookline end, rather than building a stone road about half the distance and then leaving a gap of poor road, and it is our idea the coming summer, after we start the crusher, to finish the entire length with crushed stone oil bound.

We found that the condition of our sewers at the present time needs an expenditure this coming year in the maintenance of about \$1500, to be expended for the purchase of equipment to properly clear the sewers of roots and sand, particularly in the East Milford section, and the relaying of the pipes in the vicinity of the

depot. We spent in the vicinity of \$900 on Dearborn street last year and continued the sewer to a point where three of the houses on Dearborn street could enter. We also convinced ourselves further that the situation on Dearborn street calls for a contractor with equipment to go through the ledge in order to reach the other end of the street, and we are of the opinion that bids should be asked for the finishing of this work and then have the town citizens decide at the next town meeting, 1927, regarding whether they want to finish it, and if so, to appropriate the money for same. It is our intention to lay sewer on East Union and Spaulding streets and Prospect hill this coming summer, and we have purchased the pipe to carry out these projects.

We have been in conference with the State Highway Engineers, and it is our intention the coming summer, if we can get a satisfactory amount of money from the state, to repair the Wilton road beginning at the Taylor farm continuing towards Wilton to the new construction at the Hillsborough Mills bridge; also, to widen the road on Mont Vernon street to eliminate that bad corner near the Sloan farm.

The following is a detailed statement of the expenditures of Milford for the year ending January 31, 1926:

DETAILED STATEMENT OF PAYMENTS

Detail 1, Salaries and Expenses of Town Officers:

Selectman John J. Monteith	\$500 00

REPORT OF S. F. TRAFTON

The permanent road construction last year consisted of Olive Street, Shepard Street, Lincoln Street, and Maple Street at Pine Valley, and I am of the opinion that oil bound, crushed stone roads are the most economical and satisfactory to build, taking into consideration the amount of automobile travel.

I found the town in need of small tools and have purchased the same, repaired and painted what equip-

ment could be repaired at town barn, also put a new roof on town barn. The road scraper is worn out and should be replaced. The road roller is badly in need of repairs and before it can be used will have to have a set of new wheels which will cost in the vicinity of \$700.00. The horses have been kept in good shape and are capable of doing considerable work for some time.

The town maintenance appropriation we have overdrawn this year, due to the fact that approximately \$1600 had already been used to square accounts before I took charge.

I recommend that when the stone crusher starts this summer, enough stone be crushed so that there may be some on hand to be used here in the village, and that a crushed stone, oil bound road be built on Clinton Street and the lower end of Souhegan Street.

Report of Police Department

To the Honorable Board of Selectmen:

I herewith submit my report for the year ending January 31, 1926.

Number of arrests	54
Males, 50	Females, 4
Residents, 27	Non-Residents, 27
Assault	6
Bastardy	2
Drunk	17
False pretense	1
Larceny	7
Insane	1
Liquor law violations	6
Motor vehicle law violations	8
Operating motor vehicle drunk	6

Miscellaneous report: Lodgers cared for at station, 521; street lights out and reported, 20; doors found open, 61.

There are many cases investigated and handled where valuable service and assistance is rendered to the public by the Police Department of which no record is kept.

Respectfully submitted,

ANDREW J. SWEENEY,

Chief of Police.

Report of Recreation Committee

At the last annual town meeting, March 10, 1925, it was voted to adopt Section 5, Chapter 86, of the Laws of 1917, and the selectmen were instructed to appoint a Recreation Commission and \$250 was appropriated to be expended upon parks and playgrounds under this article.

The selectmen appointed the following as members of the commission, the members to serve without pay: P. R. Woodman, J. F. Pirovano, to serve for three years; Daisy E. Stickney, Ralph J. Gainey, to serve two years; Irving C. Brown, to serve one year. Later Mr. Brown resigned and W. B. Rotch was appointed to fill the vacancy.

The commission have had several meetings and considered different propositions for helping situations at the rural schoolhouses and at Endicott and Shepard Parks.

At the North, Pine Valley and Osgood schoolhouses play equipment has been installed and has been found of much value and is in constant use by the small children attending these schools. At Endicott Park the entrance to the Park has been greatly improved in appearance, especially the lot adjoining the school lot, which before has been neglected. Refuse barrels have also been placed near the school building and are in daily use by the pupils during the days schools are in session. One unsightly dump on Endicott Park has also been cleaned up and abandoned.

There is great opportunity for further usefulness of the Commission along the lines of the first year's work, if money is provided to carry on what has already been so well commenced.

Endicott Park offers boundless opportunity for development and improvement but not much can be accomplished without expense. The Commission have been in consultation at different times with the ball team in hopes that a definite plan could be evolved upon which the commission, the school board and baseball interests could agree and then commence a systematic improvement, expending a little each year, and in this way accomplish much at an expense which would not appear as a burden or increase our annual appropriation to any large extent. We believe this is possible. Interested baseball men visited Graniteville this fall and were in consultation with an engineer in Lowell, who promised to come to Milford this spring and look over our park and ball field over and make some suggestions which can be carried out.

The playground around the new grammar school building, after the grading is completed, will call for some expenditure in equipment and should be provided for at this annual meeting.

The commission appreciates the co-operation of the town officers and the school board and with the continued helpfulness of the citizens much is possible for the future.

We recommend an appropriation of \$700 to care for the needs of the different parks and playgrounds for the ensuing year.

Attached is the financial statement of the Treasurer

Report of Water Commissioners

REPORT OF SUPERINTENDENT OF WATER WORKS

To the Honorable Board of Water Commissioners,
Gentlemen:

I herewith submit my report for the year ending January 31, 1926.

We have extended the 6 inch main 900 feet on Johnson Street, 600 feet on Berry Court, and 950 feet on Elm Street. This has been an exceptionally hard year for the Water Works, and owing to a construction bill of over \$5000 and improvements and repairs at the pumping station amounting to over \$2000, we are unable to reimburse the town for our notes and interest.

Our recommendations for a Diesel Engine was turned down by the Ways and Means committee, who recommended instead, two gasoline engines. We have installed two gasoline engines according to their recommendations. These two engines are so dependent on each other in operation that the failure of either one to start means that the whole plant is out of commission. The main engine is a 100 H. P. Sterling engine, running at the excessive speed of 1400 R. P. M., making it a very short lived proposition. The excessive speed together with the enormous gasoline consumption, which is from 15 to 18 gallons per hour, absolutely prohibits its use except in an emergency.

The condition of our water supply remains about the same. In the month of January, 1925, we were unable to fill the standpipe for 28 days. Again in August the same condition occurred, and after ten days without filling the standpipe we pumped from the brook, as a last resort. Much to our surprise, after 18 hours of contin-

ual pumping we lowered the brook to such an extent that it was practically dry. If something isn't done in the immediate future, we are sure to face a water famine.

In addition to water works construction the following sewers have been laid: Farley Street, 840 feet; West Street, 125 feet; Dean Street, 400 feet.

Respectfully submitted,

ROBERT F. CAMPBELL,
Superintendent.

Report of Fire Engineers

The Board of Fire Engineers submit the following report for the year ending January 31, 1926:

APPARATUS

Motor pumping engine, Souhegan Hose wagon, Eagle Hose wagon, Pine Valley Hose wagon, Alert Hook and Ladder truck, two hose sleds all equipped and in good condition. .

HOSE ON HAND

3300 feet two and one-half inch double jacket fire hose in good condition; 400 feet in a fair condition; 200 feet one and one-half inch chemical hose in good condition.

For the usual expenses of the department we would ask for an appropriation of \$3700.00.

MILFORD FREE LIBRARY

REPORT OF THE LIBRARIAN

To the Trustees of the Milford Free Library :

I herewith submit the annual report of the Milford Free Library for the year ending January 31, 1926.

There is very little to report in regard to the library except that given in the statistics which follow. We have no new building to report, no increase in the size or convenience of our present quarters, no new equipment, and no repairs.

Our circulation, 38,370, is not up to the high standard of last year. This seems to be the report from many other libraries and may come from the increasing use of the radio. The decrease in our library is mainly in the circulation of books for the adult.

Miss French, our assistant, was granted a six months leave of absence and Miss Margaret Howison is substituting for her.

Your librarian attended the annual meeting of the New Hampshire Library Association at Laconia and a neighborhood meeting at Nashua.

Respectfully submitted,

ANNABELL C. SECOMBE,

Librarian.

RESOURCES

Number of bound volumes at beginning of the year:

Adult 12,514; Juvenile 1,581 Total 14,095

Number of bound volumes added by purchase:

Adult 210; Juvenile 303 Total 513

Number of bound volumes added by gift:

Adult 17; Juvenile 1 Total 18

Federal, State and Town documents added:

Adult 10; Juvenile 0 Total 10

Number of volumes added by binding magazines:

Adult 30; Juvenile 4 Total 34

Number of bound volumes lost or discarded:

Adult 123; Juvenile 176 Total 299

Number of bound volumes at end of the year:

Adult 12,711; Juvenile 1,781 Total 14,492

Number of magazines and newspapers currently
received

64

SERVICE

Number of volumes of non-fiction lent:

Adult 3,831; Juvenile 6,689 Total 10,520

Number of volumes of fiction lent:

Adult 17,303; Juvenile 10,547 Total 27,850

Total circulation for current year:

Adult 21,134; Juvenile 17,236 Total 38,370

Number of new borrowers added during the year: 183

Total number of borrowers registered: 2,900

Number of people using reading room: 6,300

Granite and Bronze Memorial erected in Elmira, N. Y. This Memorial has a wing spread of $27\frac{1}{2}$ ft. and is 12 ft. 11 ins. high. It cost \$15,000. Milford granite men think a similar memorial could be built here for \$10,000.

Report of Memorial Committee

At the annual town meeting in March, 1925, the town voted to appoint a committee of three to recommend a design and location for a memorial to cost not over \$15,000.

By personal effort and newspaper appeal the committee endeavored to learn whether or not the people of Milford are really in favor of erecting a memorial; and if so, what type of memorial. The committee is convinced that the sentiment in favor of a memorial is almost unanimous, but that there is no general agreement as to where or what it should be.

Any memorial, we believe, should be beautiful, permanent, conspicuously located, and in artistic harmony with its surroundings. The price limit of \$15,000 precludes several plans which have been advanced in past years.

Selection of a suitable design for a memorial clearly depends on where it is to be located. Among possible places which have been considered are the Oval, the school grounds, the Livermore lot, and Lullwood, either near the fountain or the bank fronting Nashua street.

Of these the most available and the one having the least drawbacks appears to be the Oval, and the committee favors a location at the southwest point of the Oval, near the watering trough. The proposed memorial would occupy little or no more space than the old cannon and pile of cannon balls which should be removed if a memorial is erected near that spot.

A memorial for that location should be built of Milford granite. It should be dignified and simple, without statuary, and with ample place for such inscription and names as may be determined. The exact dimensions

and details of design should, we believe, be left to a representative committee of Milford citizens with an appropriation available for getting detailed plans and estimates.

This year the committee has considered a number of memorials erected elsewhere at costs approximately that suggested by Milford's resolution. As a general type of memorial suitable for the location recommended, the committee is favorably impressed by one erected in a city in New York at a cost of \$15,000. Local granite men say it could be built in Milford for \$10,000. We have secured a photograph of this design, which can be modified in any way compatible with good taste and the Milford requirements.

Sketches of proposed memorials of this general type will no doubt be ready for exhibition on town meeting day.

Should the people of Milford wish to accept the recommendations of the committee as to location and general type of memorial, a logical procedure is to raise necessary money by means of serial notes over a period of ten years; appoint a new committee, and give it authority to get detailed plans and estimates and proceed with the erection of the memorial.

Respectfully submitted,

JOHN BURNETT,

ARTHUR B. ROTCH,

A. WALLACE WILKINS.

February 17, 1926.

FINAL REPORT OF SCHOOL BUILDING COMMITTEE

The Committee appointed to secure plans, arrange financing, and erect the new Elementary School Building, has completed its work. The building is finished and was occupied on the appointed day, January 4, 1926, by four hundred scholars and their teachers.

The architects chosen were Mulhall & Holmes, 141 Newbury Street, Boston, Mass., who presented a plan of most interest to the committee.

Mr. H. L. Patterson of the Boston School Department and a resident of Amherst, N. H., rendered valuable assistance and advice.

Mr. Harold C. Bales, Superintendent of the District, was helpful to the committee in many ways and gave much of his valuable time and the benefit of his experience.

To the Souhegan National Bank, its President, Mr. F. W. Sawyer, and Cashier, Mr. M. G. Jewett, we are indebted for valuable services in floating the bond issue.

The general contract was awarded to the Hoyt Construction Company of Holyoke, Mass., with Mr. A. W. Langevin, Superintendent of Construction. The plumbing, heating, and ventilating contract was let to the Barber Plumbing and Heating Company of Milford and the electrical contract to Charles H. Austin, Nashua, N. H. The result of the combined contracts has been a substantial finished building of good capacity and appointment throughout.

January 1, 1926 was set apart to inspect the new building on its completion and very many of our citizens availed themselves of the opportunity. The building has now been occupied six weeks and all the facilities have been tested during the cold weather period.

NEW ELEMENTARY SCHOOL BUILDING

Nothing has been found wanting or inadequate, necessary to the comfort of the teachers and scholars.

On another page our financial account is rendered in detail and it is gratifying to us to have erected a school building of this size and quality and to have done so within the school district's appropriation.

Our committee has worked harmoniously and diligently over a period of nearly two years and now tender the building to the district, trusting that it may prove of great service for a long term of years.

Respectfully submitted,
 E. S. HEALD, Chairman,
 MRS. A. R. WEBSTER,
 JAMES P. CASSIDY,
 LEON L. JUNKINS,
 J. THORNE YOUNG,
 MRS. BLANCHE A. BRUCE,
 HARRY N. THOMAS,

Building Committee.

REPORT OF SCHOOL BOARD

With the completion and occupancy of the new elementary school building during the past year, we feel that the citizens of Milford may well be proud of their efforts to provide better school facilities for their children. For details of the Building Committee's report you are referred to their separate report.

During the past year we feel that there has been a decided improvement in the school spirit, and especially so along athletic lines, an object which we have long been striving to obtain.

The usual summer repairs were made and the school properties are in good remodeled condition. The coming summer we would like to finish retinting the high school and also refinishing the furniture in some classrooms. Some new furniture for physics and chemistry should be planned for in the near future. The walks and driveways at the high school should be re-surfaced. From year to year additions to equipment are of course a necessity.

In closing the School Board wish again to thank the Superintendent and teachers for their loyalty and their united effort to maintain the high standards of the schools, and especially a word of thanks to those teachers who were so decidedly inconvenienced by the necessity of holding classes in the high school during the time of building the new school.

Respectfully submitted,

HARRY W. THOMAS,

Clerk of School Board.

This is to certify that we have examined the above report of the Treasurer of the School District of Milford for the year 1924-1925 and find it to be correct.

F. W. BARNES,
 F. S. KIMBALL,
 Auditors.

REPORT OF HEADMASTER OF HIGH SCHOOL

To Harold C. Bales, Supt. of Schools, Milford, N. H.:

The following is my third report as Headmaster of Milford High School.

Enrollment

The total registration so far this year is 201, while the actual membership on January 31, 1926 was 184. Of this number 89 are boys and 95 are girls, who are distributed in the different curricula as follows:

Academic Curriculum					
	Seniors	Juniors	Sophomores	Freshmen	Tot.
Boys	7	8	16	5	36
Girls	12	5	6	8	31
Total	19	13	22	13	67
Commercial Curriculum					
Boys	1	4	5	3	13
Girls	15	10	17	12	54
Total	16	15	22	15	67
Mechanic Arts Curriculum (all boys)					
Boys	8	6	3	10	27
Domestic Arts Curriculum (all girls)					
Girls	1	4	0	0	5
General Curriculum					
Boys	0	0	4	8	12
Girls	0	0	1	1	2
Total	0	0	5	9	14
Post Graduates					2
Specials					2

From the total registration and the actual membership on January 31, you will find that 17 pupils, 5 boys and 12 girls, have left school since September 8; one from the Senior class, five from the Sophomore class, and eleven from the Freshman class.

There are 29 non-resident pupils whose registrations by school districts is as follows: Amherst 6, Bedford 2, Bennington 1, Francetown 2, Greenfield 3, Greenville 4, Lyndeboro 4, and Mont Vernon 7.

The decrease in the total enrollment for this year as compared with that of last year can be explained by the decrease in the number of non-resident pupils and also the entering class from our own eighth grade was smaller than usual.

The following table shows the total registration of the pupils by classes for the past nine years:

	1918	1919	1920	1921	1922	1923	1924	1925	1926
Seniors	30	23	34	26	19	33	42	37	45
Juniors	25	38	30	23	46	45	41	47	37
Soph'mores	47	40	28	53	50	51	55	51	57
Freshmen	49	35	66	59	59	69	61	77	58
Post Grads.	4	1	0	1	0	2	1	3	2
Specials									2
Total	155	137	158	162	174	200	200	215	201

Maintenance of Standards

The requirements in the different departments have been met. Special attention was given to the fundamental subjects last year and in May tests were given in arithmetic and spelling. The results of these tests as compared with tests given a year ago showed that the pupils had profited by the drill work. This year we shall stress English Grammar and Place Geography.

Below is the record of Milford High School in 1924-25 as compared with the averages of the high schools in the state for the same year:

	Milford	State
Per cent boys in the school	46.7	48.6
Per cent left school during the year	12	12.9
Per cent failed one subject	9	10.6
Per cent failed more than one subject	3	9.7

Per cent attendance	97.1	95.5
Per cent of pupils to graduate who enter high school	68	50.4
Per cent of graduates to continue their education	49	48
Number of pupils per teacher	22	18.1
Number of tardy marks per pupil	.4	.9
Number of half days on which school was in session	372	349.8

One fact worthy of mention is that there were only two other schools in the state which were in session a greater number of half days than Milford. Also Milford is one of the schools commended by the State for having a high attendance record, in fact, has been on the honor list for two years.

Honor Roll

The following pupils were on the honor roll for the first semester 1925-26:

Pupils getting A in all subjects were: Mabel Hammon '26, Eleanor Wadleigh '26, Helen Thomas '29.

Pupils getting all A's except for one subject and that not lower than B were: Leona Petazzi '26, Marjorie Aiken '27, Beulah Frye '28, Dora Marzoli '28, John Rantilla '28, Lea Wirta '29.

Pupils getting B or better in each subject were:

Seniors: Flora Abbiatti, Helen Adams, Isobelle Boutelle, Mary Caulfield, Esther Christopher, Carrie Hopkins, George Lynch, Irene Marzoli, Paul Melendy, Lena Perley, Albert Prior, Helen Putnam, Evelyn Wilkins, Charles Woodward, Edward Kirk.

Juniors: Ruth Baker, Lester Johnson, Joan Lanouette, Leonard Lorden.

Sophomores: Douglas Chandler, Marjorie Crowell, Helen Deans, Helen Falcone, Mark Moore, Einar Paananen, Alma Perlatti.

Freshmen: Cynthia Darrah, Evelyn Dodge, Lempi Harris, Barbara Hartshorn, Winifred Riley, Laura Trafton, Arline Wilkins, Edward Wolf.

Athletics

I believe our high school athletics are rapidly being brought under the control of the educational aims which I mentioned in my last report, namely:

1. To promote better health and physical development.

2. To promote training in group activity. To this aim there are several phases: (a) Training in sportsmanship in which playing the game is more important than winning the game; (b) Training in co-operation in the narrower sense of team work; (c) The fostering of school spirit, or co-operation in a larger sense. Inter-school contests are the best possible means of making a school conscious of itself as a social group through common aims and interests.

3. To promote wholesome leisure-time recreation. This refers to those who play the game and those who watch it.

Our boys were well coached last spring by Leo Comolli and they exhibited some fine baseball. They won nine of the fifteen games played. Many of the letter men are with us again this year and we should have a fast team.

We entered the Monadnock Inter-Scholastic Basketball League for the second year. The interest and competition in the league is very keen. A large number of boys and girls are out for basketball and some fast teams are being developed.

Prizes

The fourth award of the class of 1921 Prize of \$5.00 was won by Flora Abbiatti. The title of her essay was "What should be done with the Livermore estate."

Sophomore Prize Speaking

Again through the generosity of General Kaley we were able last year to secure special training for the pupils in public speaking. Plans are now being made for the Sophomore Prize Speaking this year. Last year the first prize of \$10.00 was won by Lovica Wright, second prize of \$5.00 by Doris Montgomery. The other members of the contest were Kenneth Doonan, Kenneth Clarkin, Richard Varnum, Harland Holt, Joan Lanouette, Florence Dutton.

Changes in the Program of Studies

The Domestic Arts curriculum has not been popular as a curriculum to be followed for four years and was replaced this year by a General curriculum which may be taken by either the boys or the girls. However, the Domestic Arts subjects are still being taught and there are more girls taking these subjects now than in previous years, since they can now take them as electives with their commercial and academic work. Nursing and physiology is required of all girls before graduating.

The Smith-Hughes requirements in the first two years of the Mechanic Arts curriculum have been omitted, which decreases the amount of time spent for this work. The change made it possible for mechanic arts subjects to be offered as an elective in other curricula for the first two years. It was necessary to have two divisions to handle the freshmen boys in shop work this year.

Class of 1925

The following is a list of graduates in June 1925:

Academic Curriculum

William T. Armitage	*Gertrude Sara Poore
Albert Caccivio	Josephine Cross Pritchard
*Gabrielle Pamela Lanouette	Richard Twombly

*Jennie Pearl Mason	*Helen Rae Walter
Muriel Evelyn McKenzie	James Ashwood Whitehead
*Theodore Saunders Peirce	Doris Christine Woodward
Violet Marie Pirovano	Bruce V. Wurdeman

Commercial Curriculum

Molcolm H. Atherton	*Edythe Annie Holt
*Morjorie Louise Bills	Lloyd Charles Johnson
Rosario Calvetti	Margaret Elizabeth Lorden
*Meta Marietta Goodwin	Lillian Nalibow
Rachel E. Hansle	Rachel Marguerite Smith
Leah Eveline Hill	Gladys Augusta Temple
*Myrtle Evelyn Hodgman	Clara Marie White

Mechanics Art Curriculum

Herbert F. Boutelle	John A. Holland
Warren L. Eaton	*Harold S. Scott

Domestic Arts Curriculum

Tunie Lydia Adams	*Thirza Elvira Northrup
*Elizabeth Nella Melendy	Alice Louise Wyatt
*These pupils were in the upper third of their class.	

Teachers

No class of workers are showing more interest and greater desire for accomplishment in their work than the teachers of Milford High School. The teaching staff for 1925-1926 is as follows:

Payson H. Reed, Headmaster, Mathematics.

Jarvis T. Beal, Sub-Master, Chemistry, Geometry, Athletics.

Alice F. Herlihy, History, Economics.

Belle Twombly, English.

Marguerite Sawyer, French.

Carl Talbot, Mechanic Arts.

Robert O'Neil, Mechanic Arts.

Bertina Dow, Commercial Subjects.

Helen Burnham, Latin, English.

Winnifred Watts, Domestic Arts.

At the opening of the school year I asked the following teachers to act as class advisers: Miss Twombly for the Seniors, Miss Sawyer for the Juniors, Miss Herlihy for the Sophomores, Miss Burnham for the Freshmen. Their function is chiefly to guide and counsel the classes or individuals in their undertakings, to be present at their class meetings and to see that a true and accurate record of the class funds are kept.

These teachers have willingly and efficiently assumed this responsibility and class meetings are conducted in a very businesslike way.

In conclusion I wish to express my appreciation to all school officials, teachers, pupils and citizens for their earnest co-operation during the past year.

Respectfully submitted,

PAYSON H. REED,

Headmaster

February 16, 1926.

PERFECT ATTENDANCE FOR MILFORD
School Year 1924-1925

HIGH SCHOOL

Flora Abbiati, Tyyna Adams, Marjorie Aiken, Dorothy Britton, Evelyn Coffin, Caroline Edwards, Owen Fiske, Meta Goodwin, Eino Harris, Catherine Kingston, Leonard Lorden, Margaret Lorden, George Lynch, George Mahar, Irene Marzoli, Alma Perlatti, James Pratt, Glenn Robinson, Grace Russell, Elvi Stein, Roger Sweeney, Eleanor Wadleigh, Evelyn Wilkins, Bruce Wurdeman.

Pine Valley: Florence Anderton, Richard Hutchinson, Mary Etta McPolin.

REPORT OF MUSIC SUPERVISOR

To the Superintendent of Schools:

I am submitting my first report as supervisor of music in the school of Milford, New Hampshire.

On taking up my duties as music supervisor, I found the boys and girls had very fine musical training and well prepared to begin their year's work.

The regular routine is being followed. The first grade learn their songs by rote and read easy exercises from the board. Books are placed in the hands of the pupils of the second grade for note reading. Two part music is being sung in the fifth and sixth grades, three part work in the seventh, and four part work in the eighth grade. High school pupils are having one period weekly of Music Appreciation, History of Music, and chorus singing.

Boys and girls from the Junior High and High School have formed an orchestra and have performed quite creditably on two occasions.

The support of the school board, superintendent, and teachers has been greatly appreciated.

Respectfully submitted,

MARION A. KING.

Supervisor of Music.

February 10, 1926.

REPORT OF MEDICAL INSPECTION

Number of pupils examined, 783. Number of teachers examined, 30. Number of janitors examined, 1.

Other employees, 2. Number pupils not examined, at parent's written request, 2.

Not present, 6.

DR. HINDS,
Examiner.

February 9, 1926.

REPORT OF SCHOOL NURSE

To Mr. Harold C. Bales, Superintendent of Schools,
Milford, N. H.:

The following is my third report of the health work in the Milford Schools, it being the eighth year of this work.

The usual medical inspection was carried on this fall by Dr. Hinds, assisted by the nurse. The changes as outlined in last year's report were carried out; namely the chest examination. Of the total number of pupils, there were only eight who were not examined—six of these being absent and two excused. Because of the crowded condition at the High School Building the examination of the eyes was omitted until the new building was opened. The examination is now being made but is not yet completed so that the number of defective vision cases as listed in the report of the doctor is incomplete. Because of the one session of the 4th, 5th and 6th grades during the fall term, very little time could be devoted to health teaching and the work already begun along the line of sound teeth and dental care had to be temporarily omitted.

During the one session period milk was provided both morning and afternoon for those pupils who wished it. We have now returned to the first plan and are serving it at the mid-morning recess only to all children at the new school who desire to buy it. I am particularly recommending it to those children who are underweight.

In June it was possible by co-operation with the State Association to hold a clinic for underweight children. At this time almost fifty were examined to find the probable cause of the underweight and recommendations were made to the parents for correction of physical defects. I hope this clinic may be an annual

affair to which the parents may bring the children who are seven per cent or nine per cent underweight.

The new building which we entered in January is itself a health teaching. Under such ideal conditions as the new building affords as to cleanliness, sanitation, lighting, heating, ventilation, etc., it will be much easier to teach the children the rules of healthy living.

The report of Dr. Hinds on another page gives a tabulated account of the medical inspection.

Respectfully submitted,

ADALINE CHASE, R. N.,

School Nurse.

February 9, 1926.

**ABSTRACT OF REPORT OF CLERK TO STATE
BOARD OF EDUCATION, SCHOOL BOARD
AND SELECTMEN**

District Revenue voted March 10, 1925

For support of high school	\$14,693 00
For support of elementary schools	31,782 00

For special repairs, alterations & insurance	2,790 00
For purchase of Cahill property	4,000 00

Total amount available from taxation	\$59,178 00
--------------------------------------	-------------

Authorization to incur debt:

For bonds for constructing and equipping elementary school buildings	\$115,000 00
---	--------------

A. WALLACE WILKINS,
Clerk of the School District.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Milford:

I herewith submit my seventh annual report, the same being the twenty-first in the series of such reports.

Organization of Union No. 40

No change has been made since last year so that the several districts are grouped as before with payment of joint expenses as follows: Amherst, one-fourth; Brookline, one-tenth; Milford, six-tenths; Mont Vernon, one-twentieth.

New Building

The outstanding event of the year for those directly connected with Milford schools has been the construction of the new elementary building. Although the teacher is more important than the building, yet any teacher can do her best work when she has tools of the best. Our old buildings, now discarded, did not provide modern conveniences of heating, lighting, ventilation, and sanitation. So it is with particular satisfaction and delight that the report can now be made that beginning on January 4, 1926, all village pupils in grades I-VI have been able to enjoy the privileges and benefits of a new modern twelve room building, well equipped and conveniently arranged. The citizens of Milford may well be proud of the splendid schoolhouse which their votes have so generously provided. To the Building Committee, especially, do all teachers and school officials extend their thanks for time and thought so freely given to the whole project, from the first discussion of plans to the final completion of the building. I personally, as Superintendent of Schools, wish to thank the Committee for the constant consideration given to my ideas and opinions in matters affecting instruction.

Enrollment

The usual tables are included herewith to show present conditions and for comparative use.

Education Week

Each year in November a certain week is emphasized to call attention to the public schools of the country. In Milford no elaborate program has been attempted but each year some particular organization or group has been asked to assist with the program. In 1924 the Woman's Club furnished speakers. This last year members of the Senior class in the High School prepared and gave talks in each school room in town. This plan proved to be equally valuable and interesting, to the pupils addressed and to the Seniors themselves.

Instruction

The regular teaching staff is the same as last year with two exceptions, both in the High School. Mr. Jarvis T. Beal replaces Mr. Davis as Submaster and Miss Bertina E. Dow has the Commercial Department, formerly in charge of Miss Buswell. Mr. Beal is a Harvard graduate and Miss Dow holds a diploma from Plymouth Normal School. Both have had teaching experience. For special subjects, Miss Marion A. King took charge of Music in September 1925.

Last April (1925) the old White School Building was torn down to make room for the new structure. This made necessary some temporary arrangement to house grades four, five and six until the new quarters were ready. The assembly hall at the high school was partitioned off into two rooms and one room on the first floor was made available for afternoons. By having two sessions and alternating pupils and teachers the equivalent of five rooms was secured and school was maintained for all pupils. Although the number of school hours in the day was somewhat shortened and conditions of light, heat, and school room conveniences far from ideal, the full co-operation of parents, teachers and pupils made the few months pass without any serious losses in instruction.

8-4 vs. 6-2-4 vs. 6-3-3 vs. 6-6

The above numbers refer to the common ways of grouping pupils. By 8-4 is meant that grades I to VIII inclusive are housed in one building under one principal as an elementary school and the next four grades organized and administered in another building as a senior high school. This is the grouping common for many years past. By 6-2-4 is meant the plan whereby the first six grades only are in one building with the seventh and eighth as such and the regular senior high in another building. This is our present arrangement.

It does not make for close co-ordination between the seventh and eighth years and the upper four. As is the case in Milford, it is usually a matter of convenience rather than a fully planned unit for school work.

Recent studies of curricula for pupils above grade VI indicate two ways of improving the old 8-4 or 6-2-4 grouping. The first is the 6-3-3 plan which works well in cities where one set of buildings in different parts of the city takes care of grades I-VI; another set, fewer in number and each serving a larger area, provides for years VII, VIII and IX; while one or more large high schools takes care of the upper three years. This grouping is not needed in any but large places.

The second is the 6-6 plan. This calls for two units only and fits into our housing arrangements exactly. The new building takes care of all village pupils in the first six grades and is now in full operation with Miss Mary A. Pettee as principal. The high school building without alterations is adapted for the second unit, whereby the upper six years could be made into a six year high school. The work of grades VII and VIII for ten years past has been organized very nearly on the basis that would be required should application be made for an approved six year high school. The necessary changes in subjects, teachers, and administration could easily be made before the opening of the next school year in September 1926. Careful study of this plan is recommended for your consideration.

Respectfully submitted,

HAROLD C. BALES.

REPORT OF M. G. JEWETT, TRÉAS., MILFORD SCHOOL DISTRICT

In connection with the Bond Issue for financing new Elementary School Building.

In accordance with a vote passed at the annual meeting of the School District held on March 10, 1925, your District Treasurer, with the approval of the School Board, caused to be issued one hundred fifteen thousand dollars (\$115,000) School Bonds, dated July 1, 1925, payable \$6,000 July 1 each year, 1926 to 1940 inclusive and \$5,000 July 1 each year, 1941 to 1945 inclusive, and bearing interest at the rate of $4\frac{1}{4}\%$, per annum, payable semi-annually.

These bonds were advertised for bids and sold to Harris, Forbes & Company of Boston, the highest bidder, at \$100.57.

I present herewith my account to date, in connection with this bond issue.

Dr.

Amount received from sale of bonds	\$115,655 50
Interest received on unexpended bal. to date	606 02
	<hr/>
	\$116,261 52

Cr.

Paid expenses preparing and certifying bonds and furnishing legal opinion of attorneys \$	366 53
Paid Souhegan National Bank int. on money borrowed in anticipation of bond issue	78 76
Paid L. L. Junkins, Treas. Bldg. Committee	104,000 00
Balance on hand	11,816 23
	<hr/>
	\$116,261 52

Respectfully submitted,

M. G. JEWETT,
Treasurer.

REPORT OF AUDITORS

This certifies that we have examined the items of the accounts of the officers of the several departments and find them correctly cast and properly vouched as follows: John J. Monteith, Clerk of the Board of Selectmen; Springer Trafton, Highway Agent; Samuel Lovejoy, Treasurer of the Lull Memorial Fund; George A. Worcester, Treasurer of the Water Board; John F. Pirovano, Clerk of the Park Commission; Charles L. Luce, Tax Collector; Frederick W. Sawyer, Town Treasurer; Benjamin F. Prescott, Treasurer of the Milford Free Library; Leon C. Hall, Treasurer of the Board of Fire Engineers; Benjamin F. Prescott, Treasurer of the Municipal Court; Hiram C. Bruce, Deputy Town Clerk, Tax Collector, Permits for the Registration of Motor Vehicles and Dog Licenses.

Also the accounts of Leon L. Junkins, Treasurer of the School Building Committee and those of Maurice G. Jewett, District Treasurer in connection with same.

We also certify that we have examined the securities in the care of the custodians of the different accounts and find the amounts as reported. Frederick W. Sawyer and Arthur L. Keyes, Trustees of the Sinking Funds of the Town; Samuel A. Lovejoy, for the Trustees of the Lull Memorial Fund; Benjamin F. Prescott, Trustee of the Funds of the Milford Free Library; Frederick W. Sawyer, Treasurer of the Cemetery Trust Funds.

Respectfully submitted,

F. S. KIMBALL,

G. A. McINTIRE,

Auditors.

Owing to the fact that Auditor F. W. Barnes was incapacitated by illness at the time of the audit, the Supervisors appointed George A. McIntire as substitute for him.

Of the Deaths in town in 1925 12 were carried out of town for burial: Portland, Me., 1; Milford, Mass., 1; Stockbridge, Mass., 1; Jamestown, N. Y., 1; Sharon, Vt., 1; Greenfield, N. H., 1; South Lyndeboro, N. H., 1; and Amherst, N. H., 5.

Nineteen were brought from away for burial. Some were long ago residents. Of the 45 Deaths recorded 2 were between 90 and 100; 9 between 80 and 90; 9 between 70 and 80; 3 between 60 and 70; 9 between 50 and 60; 2 between 40 and 50; 2 between 30 and 40; and 9 under 30. Of these deaths 24 were male and 21 female. One or both parents of 12 were born in other countries.

The Vital Statistics of a town are one of its most important record, not merely for today but for generations to come. If everyone would see to it that the records of their own families were correctly and fully filled out on Marriage, Birth, and Death certificates when handed in, it might be of great use to them and their descendants at some future day, and a great help to us in making out the records of today.

I hereby certify that the foregoing returns are correct according to the best of my knowledge and belief.

HIRAM C. BRUCE,
Deputy Town Clerk.
